Hillhead Bookclub is perfect for any gathering & celebration... comfy seats, vintage charm, and not to blow our own trumpet, but food & booze tipples are also on point.

If you don't fancy a sit down meal and like to eat while dancing, then our finger food buffet menu is for you.

POET'S CORNER

Our Poet's Corner is ideal for cocktail masterclasses, staff parties, or a weekday booze up!

With a private bar and comfy seating, it's a perfect hideaway for smaller groups or can be booked together with the mezzanine area & ping pong table for a larger celebration.

CAGES

Our cages are available to hire for group events! Enjoy the coolest space in the venue with multiuse sports tables, including ping pong, pool and shuffleboard. Alternatively, we can also use the tables for set buffet or canape options.
